# FOREWORD

---

The Columbus Grove Shorthorn Breeders' are proud of the cattle from their herds that have for a long period of years made this sale one of the outstanding sources of foundation females and herd bulls. This sale on Saturday, September 19th, will certainly be a credit to this high standard.

You will note that the eleven bulls and twenty-nine females have been bred and consigned from within a relatively small area. Yet, in each pedigree you find the names of the breed's best and world known. Probably no group of breeders do more business "at the farm" than those in this area. Each however, especially this year, has saved back top prospects for the Grove sale.

While many of the cattle have been brought along to high fit in order that you may see their full potential, still others will be offered in their every-day strip. Each will warrant your consideration and your interest in investing a sound Shorthorn dollar.

We cordially invite you to be with us on September 19th. Arrange, if possible, to come the day before and visit the herds in this vicinity.

**LOCATION**—The Sale will be held at the Fairgrounds, Ottawa, Ohio. Located 25 miles north of Lima, Ohio, on Route 65.

**TERMS**—Terms of the sale are cash unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangements. Settlements are to be made with the clerk of the sale immediately after the conclusion of the auction. All stock will be at buyers risk as soon as bid off, but the management will attend to loading on cars and trucks in compliance with instructions from the purchasers.

**GUARANTEE**—The guarantee recognized by the American Shorthorn Breeders' Association will cover the cattle sold in this sale. All cattle are sold subject to a sixty-day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd under 20 months of age. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over fourteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

**REGISTRATION**—A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

**FOOTNOTES**—Where footnotes appear in this catalog, they were furnished by the consignors or were written from information supplied by the consignors.

DUNREL VILLAGE MAID was truly earmarked to go back into the herd but in order to have a good sale it takes cattle like you would want to buy yourself. She comes from a very dependable family and of course is sired by Shore Acres Dunrel whose first calves made a fine showing in the spring sales. This heifer ranks with the best we have sold and to add to this she will be carrying the service of (Imp) Marden Captivator, a bull we jointly own with Mr. and Mrs. Martin Katter. All visitors to the farm have expressed confidence in the future of this young bull. We invite you to visit the farm and study this heifer's sire and the bull she is mated to and I'm sure you will be interested in putting her in your herd. Vaccinated for Bangs and clear.
